

# DBP ADVISORY

Attention: DepEd Cebu Province Teachers  
DepEd Cebu City Teachers

In our effort to improve our services and to minimize the inconvenience of our clients, please be informed that we are currently devising a schedule of distribution of the new ATM cards with EMV chip. We shall be posting the date and place of distribution and inform the district office for dissemination to your respective schools.

You can still use your old ATM cards until such time when you get your new ones. **There is no change of account numbers.** Your existing payroll accounts still continue to be credited with your salaries, bonuses, PEI and other benefits which can still be withdrawn using your old ATM cards. As of now, there is no deadline set for the distribution of the new ATM cards.

We encourage everyone to get official information from the bank rather than from unverified rumors or social media to avoid confusion and panic. Any information disseminated contrary to this advisory is false.

We apologize for whatever inconvenience that we may have caused.

Thank you.

**DBP Management**
